Case No. 09-CV-06442-NLH

MEMORANDUM OF LAW

HERE COMES Petitioner's Memorandum of Law respectfully
requesting a DECISION on his § 2241.

Petitioner cannot begin to presume on the Court's schedule
but as the nature of the relief sought in his motion is time
sensitive, he is left no choice but to beseech anew this Court
for a prompt decision.

Petitioner would like to respectfully remind the Court
that all legal work (Respondent's Answer and Petitioner's Reply)
as required by this Court's initial Order, dated January 4, 2010
(see docket No. 3) have submitted according to the docket sheet
for more than two months. Further delay will render Petitioner's
motion moot through no fault of his own as Petitioner's one-size
fits-all RRC placement date as imposed by Respondent is fast
approaching. As matters stand, by the time this document reaches
the court, Petitioner will have less than two months left before
he is transfered to an RRC. A valuable period of time, that if
granted by this Court, will increase his CHANCE of a succesful
re-entry into society. Time to re-unite with his family, seek

employment in a troubled economy, participate in a drug treatment program, re-adjust to society after a long period of incarceration, etc.

Finally, Petitioner successfully completed the Non-Residential Drug Program, that under the BOP's own rules and regulations should have entitled him for maximum RRC placement consideration.

Petitioner hopes and prays that this Honorable Court will grant the relief sought and any and all further relief it deems just and proper according to the law.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard S. Olivares", is written over a horizontal line.

Richard S. Olivares, pro-se
